

# Project Two:

Flowers in the Attic

**Sydney Slovisky**

Book Cover

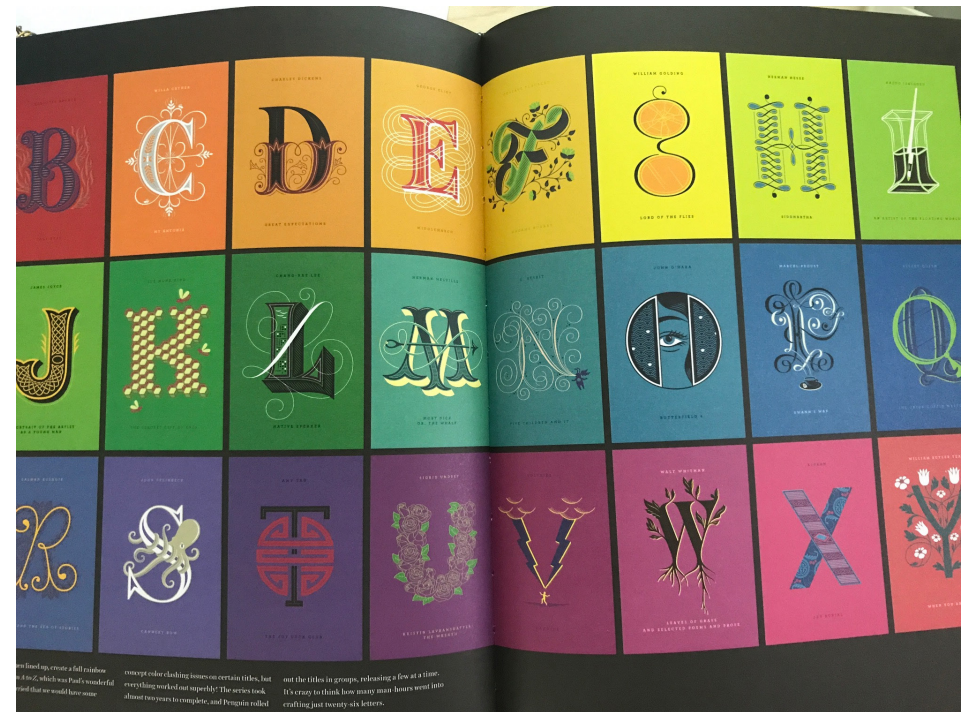

# Project Outline:

## The Assignment

Select a Famous novel and using the capital initial of the author's last name, design an illustrative ornamental capital letter. Design the letter with the topic of the story in mind, make sure it is relevant. Finish with one 6x9 document including your drop cap on a colored background.

## My Selection

I selected the gothic novel: *Flowers in the Attic* by V.C. Andrews.

## Final Product:

Final Letter

Final Image

stairs to signify where the children lived for so long

A thorny connection between two of the flowers to signify the twisted love connection between the siblings

4 flowers to signify the children in the attic with one of the smaller flowers dying.
